- Graduated CERT Class #6.
- Participated in practice drills in January and September.
- Attended Continuing Education classes (CE's) covering content such as weather, shelter operations, CERT Survivor, electricity, radio, and a tabletop drill.

CERT members also actively participated in 4thFest, Preparedness Day, SKYWARN and weather conferences, KellerFest storm clean-up, LEC and Fire Department open houses, smoke alarm checks, the Turkey Truck Food Drive, and Santa USA.
